

January 26, 2022 – Concerned re Pat King Raised

Pat King was on the radio annoying others. Pat had tried to pull in front of everyone with his motorhome but was eventually sent to the back of the convoy.

Everyone was concerned about Pat's involvement and plans were made to talk to him in the evening when they arrived in Thunder Bay. Unfortunately, Pat did not stick around but continued to SSM so no one had a chance to speak to him.
